

MPSI CONNEX

WE SPECIALISE IN
**INTERCONNECT
& ELECTRO-MECHANICAL
DISTRIBUTION & DESIGN**

ABOUT MPSI

We are an established UK Electronics Interconnect & Electromechanical Distribution Company, founded 2004.

MPSI markets and designs-in our highly competitive, quality MPSI Brand products including Connectors, EMI/RFI Filters & Power Entry Modules, Cables, Power Cords and many more.

Utilising this same expertise we import & distribute many products from popular manufacturers of Interconnect, Electromechanical & Passive Electronic Components from around the world.

We pride ourselves on good old fashioned prompt, courteous customer service & supply.
